weeks now and I'm still trying to get a hold of this mad bucking bronco called Marvel Comics. It's a big job but everyone here has chipped in big ways to get my goofy butt up to speed. There's a bit of a learning curve; it's kind of like running Marvel Knights... only bigger. Waaaaaay bigger! As I start settling into the Editor in Chief, or EIC (or as I like to call it, EEK!) job, one thing has become clear. Okay, excuse me while I clear my golden throat. Ah-herm... THIS IS SO COOL! As a kid I dreamt about drawing comics, but never in a million years could I have ever dreamt of this! In my mind this seemed like the coolest job in comics. I mean, how bad could it be? It used to be Stan's job! Well, I think you True Believers are expecting a lot from Marvel's EEK!, and I'm going to do my darndest not to disappoint. So without further ado, let me get to the nuts and bolts of this rambling missive. WE WANT YOU! That's "you" as in YOU, bunky! We want you to try out the "New" Marvel! We have some great stuff cooking at The House and we're pretty confident that you'll be hooked once you try it. We want you to try it out so badly that we're slashing the price! That's right, you heard it here first! In January we're launching our new ongoing reader incentive program called Slashback! AVENGERS #38 and INCREDIBLE HULK #24 are great jumping-on points, so we're slashing the price for that month on both titles back to a good ol' buck ninety-nine! And as if that weren't enough, you also get in on the ground floor as "Awesome" Alan Davis introduces his magic pencil to Earth's Mightiest Heroes and "Jazzy" Johnny Romita Jr. adds his mystical 2H lead to the pages of the Rampaging one! Don't say I never did anything for ya! This job is just way too much fun! But I better get going... the excitement is killing me and I think I need some oxygen! See ya in the funnybooks, JQ EEK!
